Thank you for your email dated 29th April 2019 requesting information in relation to the Clatterbridge Cancer Centre Building Development in Liverpool.

The information that you require is as follows:

I am writing to request a list of all subcontractors, suppliers and consultants & telephone numbers involved in the development of a cancer centre (Use Class C2 and D1) comprising:- (a) in full - the erection of an eleven storey building providing in-patient and out-patient treatment services, in-patient ward accommodation and ancillary facilities, and incorporating 3 no. bridge links to the adjacent new Royal Liverpool University Hospital building, together with vehicular access from Pembroke Place / West Derby Street, patient drop-off/pick-up area, interim and permanent patient car parking, pedestrian and cycle access routes and cycle parking, and associated hard and soft landscaping and external works; (b) in outline - an undercroft patient car park, pedestrian and cycle access routes and cycle parking, and associated hard and soft landscaping and external works, with all matters reserved.

Please see Appendix 1 for a list of all subcontractors, suppliers and consultants involved with the development of our new cancer centre.

Unfortunately, we do not hold telephone numbers for the companies themselves as we have individual contacts with whom we deal with directly, we therefore only hold individual mobile numbers. Releasing these personal numbers would be in breach of the Data Protection Act 2018. This information is therefore exempt under Section 40: Personal Information of the Freedom of Information Act 2000. Please may we advise that you visit the public websites of the companies listed in order to gain this information.

Should you require any further information please do not hesitate to contact me on the email address provided below.

Please remember to quote the reference number above in any future communications.

If you are dissatisfied with the handling of your request, you have the right to ask for this to be investigated internally.

If you are dissatisfied with the information you have received, you have the right to ask for an internal review.

Both processes will be handled in accordance with our Trust's Freedom of Information Policy and the Freedom of Information Act 2000.

Internal investigation and internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Freedom of Information Review, The Clatterbridge Cancer Centre NHS Foundation Trust, Clatterbridge Road, Bebington, Wirral, CH63 4JY

If you are not satisfied with the outcome of the internal investigation/review, you have the right to apply directly to the Information Commissioner for a decision.
