

Breast Cancer DIBH Study Day

Friday 13th July 2018 from 12:30 - 17:00
Saturday 14th July 2018 from 09:00 – 13:00

Venue: Friday 13th July: Village Hotel, Bromborough
Saturday 14th July: Clatterbridge Cancer Centre, Wirral

DIBH for all breast cancer patients – The Clatterbridge Experience

Who Should Attend?

Radiographers and physicists looking to implement or expand the use of DIBH for breast cancer patients at their Centre. This study day will focus around the experience of The Clatterbridge Cancer Centre, including the expansion from DIBH for left side only breast cancer patients to treating all breast patients in DIBH.

Topics

- Friday afternoon lectures:
 - Development of DIBH technique –all breast +/- nodes patients now treated with DIBH at The Clatterbridge Cancer Centre
 - Scanning with DIBH
 - Paperless process including virtual simulation, IMRT planning, simultaneous integrated boost and prescription to protocol
 - DIBH treatment and imaging
- Saturday morning practical sessions:
 - Scanning including immobilisation (Varian RGSC, Omniboard Macromedics)
 - Virtual Simulation (Varian Eclipse)
 - Computer Planning (Varian Eclipse)
 - Treatment (Varian OBI and Truebeam)
- Friday evening meal and entertainment at the Soul and Motown night (Village Hotel)

Cost

£80 including evening meal and entertainment at Village Hotel.

Accommodation cost is NOT included.

Suggested accommodation at The Village Hotel or Travelodge across the road from the Village Hotel.

Places limited, please register by 31st May 2018.

Oncology Systems Limited has provided funding to enable this course to take place. Oncology Systems Limited will have an exhibiting stand at the study day, but have had no input into the programme, selection of speakers, topics or awards.
